SUMMER SCHOOL (KITES!)

Our Learning

We are working hard on our performance pieces for our Extempore competition. In addition, we are practicing critical thinking by asking, "What do I notice?" to keep our thoughts moving. We are also working on positive thinking!

Reminders

Our KITES students LOVE to play board games. We really focus on strategy and critical thinking games. This year 4th grade focused on Settlers of Catan and 3rd has played Ticket to Ride. All students have engaged in Mancala.

During summer school, we play several different games. I hope to get new ones to add to our collection as well!

Board Games and Strategy games are great for family nights too!

Wish List

You all are AMAZING! Thank you for all the support! I appreciate your help as we prepare for our state competition!
