Our Learning

We will be finishing up our fairy tale units in December! Our court trials have been entertaining and very heated! The students are doing great on research. Our fairy tale mystery days are right around the corner!

For second quarter, we will be learning about the 1050s in preparation for our Gifted Competition. I am also asking each class what they would like to study and will be developing a unit around their interests.

Reminders

Mugs for our exchange are due Dec. 7th!
