Dates

Jan. 30th- time TBA-
Gifted Showcase at the Junior High

May 5th All Day
Extempore Competition in Blue Springs, MO

Reminders

We WILL be going outside if the 'feels like' temp is above 32 degrees so please bring coats etc.

Students may bring in bottles of water and non-messy snacks to enjoy in the classroom.

At West we follow the district nutritional guidelines for shared snacks, including birthday treats. Mini cupcakes are fine as well as cookies. If you have questions about this, please let me know.

Our Learning

We will be finishing up our stories for the gifted showcase this month. All students will be learning about the 1950s for our annual gifted competition Extempore in May. We will be looking at the major events of the 50s as well as daily life and popular media while comparing it to today.

Wish List

I am needing 10 Rubik's Cube (the actual brand) for the classroom. This will allow us to have a set available in the room for students to practice. Competition coming in April!
