Our Learning

We are starting our fairy tale trails this week. Students will be defending or prosecuting court cases based on classic fairy tales! They are also working hard on their fractured fairy tales. We only have about 6 classes until our unit is finished!

We are also practicing mindfulness to increase focus, attention, and decrease tension / anxiety. This is a big topic in the gifted world. I am excited to bring it into my classroom. Please let me know if you have questions.

WISH LIST

Duct Tape Masking Tape Straws
Fun Items for our Treasure Box!

REMINDERS

We have snack time at KITES. Students are allowed to enjoy healthy snacks throughout the day and are encouraged to bring water as well.

Students and families are encouraged to read the Gifted Survival Guide or the 101 Success Secrets for Gifted Kids together. These are great resources for understanding giftedness. Fall weather is unpredictable. Please bring a coat or jacket!
