Our Learning

We started our home book studies with The Survival Guide for Gifted Kids or 101 Success Secrets for Gifted Kids. These books will hopefully provide great conversation for families. By reading them at home, we will have more time to discuss in class. Students should have the 3–2–1 filled out. Please do not stress about getting these done,

Wish List

Bathmats, soft yoga mats or long pillows for our floor. We do a lot of sitting on the floor and it can get chilly too– We want to be COMFY for learning and we have a small area rug.

Reminders

1. Our classroom gets CHILLY. Please send a jacket or a sweatshirt.
2. Students ARE able to get a hot lunch from our cafeteria. Lunch money carries across the district.
